To find providers in the KC Care Plus Network Performance Network:

1. Go to www.aetna.com Select "Individuals" on the lower left.
2. Choose "Find a Doctor" (lower right), then choose on right side "Plan from an Employer"
3. Under "Continue as guest", type in:
    1. Zip code, city, state or county
    2. Select how many miles for the search
    3. Click on "Search"
4. In the Select a Plan window, type **KC Care,** then click your plan name button below, **KC Care Network Plus-PPO**
5. Click on "Continue"
6. In the new window, you can type exactly what you are searching for. For example, you can search for a doctor by name or for a type of specialist. You can also search by clicking on any of the categories in the boxes below the search field
